JOURNEYS THAT BEGIN WITH YOU

We don't just choose where you'll go. We shape how you'll experience the world.

CREATE YOUR JOURNEY (копче)

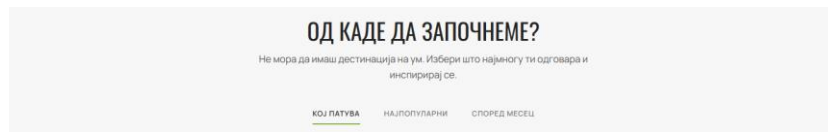

EVERY JOURNEY BEGINS WITH A FEELING.

Sometimes you don't know exactly where you want to go. But you know what you're missing. Maybe you want to escape somewhere far away. Slow down. Discover something new. Or simply feel the excitement of travel again.

That's why we don't start with a ready-made itinerary. We start with you. Tell us how you want to travel, what inspires you, and what you don't want to miss. We'll create the rest.

WHERE SHOULD WE BEGIN?

You don't need to have a destination in mind. Choose what feels right for you and get inspired.

THE JOURNEY DOESN'T START WITH A MAP. IT STARTS WITH WHAT YOU WANT FROM IT.

Maybe you want time just for the two of you. Maybe you want the kids to finally forget about their screens. Maybe you're drawn to the wilderness, the sea, the food, the unknown — or simply the feeling of being far away from everyday life again.

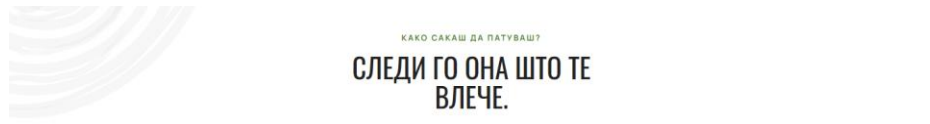

Tell us what moves you. We'll find where it takes you.

FLIGHTS

GETTING FROM A TO B IS THE EASY PART.

THE REAL QUESTION IS HOW TO GET THERE BEST.

Tell us where and when you want to travel. We'll review the options and recommend the flight that makes the most sense for your budget, timing, and way of travelling.

WHY BOOK WITH BOOKIT?

Because the cheapest flight isn't always the best one.

A BETTER ROUTE

We look beyond the price. We consider total travel time, connections, and how practical the entire journey is.

Baggage, fare conditions, and additional costs are part of the decision, not something you should discover later.

A REAL PERSON WHEN YOU NEED ONE

When you have a question about your booking, you know exactly who to turn to.

ABOUT US

WE DIDN'T START BOOKIT TO SELL MORE TRIPS.

We started it to create better ones. We believe the best journeys don't begin with an offer, a package, or a list of hotels. They begin with the person who's travelling with what they want, what they're drawn to, and how they want to feel when they return home.

That's Bookit. Journeys that begin with you.

HOW IT STARTED

Bookit is new. The people behind it aren't.

Bookit started in 2026 with one simple idea: travel deserves more than ready-made packages and endless catalogue options.

Behind Bookit is a team with more than 15 years of experience in the world of travel years spent planning, solving problems, discovering, and learning what truly makes a journey a good one.

We created Bookit to use all that knowledge differently. Fewer templates. More listening. Less “this is the offer.” More “what do you have in mind?”

Because we don’t just want to send you somewhere. We want to find the right somewhere for you.

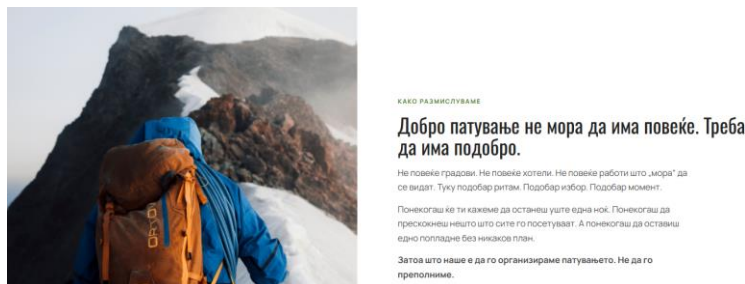

THE IDEA BEHIND THE NAME

Why Bookit?

Every journey has a moment when it stops being just an idea. When “one day I’d love to...” becomes “let’s book it.” That moment is Bookit.

When the dream gets a date. When the place becomes a plan. When the excitement begins. Our job is to make sure everything that comes after feels worth that decision.

HOW WE THINK

A GOOD JOURNEY DOESN'T NEED MORE. IT NEEDS BETTER.

Not more cities. Not more hotels. Not more things you “have to” see. Just a better rhythm. A better choice. A better moment.

Sometimes we’ll tell you to stay one more night. Sometimes to skip what everyone else visits. And sometimes to leave an afternoon completely unplanned.

Because our job is to shape the journey. Not to fill it.

ШТО ПРАВИМЕ

Ти носиш идеја. Ние ги поврзуваме точките.

Летови. Хотели. Мал хотел што не си знаел дека постои. Водич што знае која улица да ја фати пред да пристигнат сите други. Добар ресторан за третата вечер, не за првата. Трансфер што е таму кога треба да биде.

И дрволно простор помеѓу сето тоа за патувањето да не изгледа како распоред.

Секое Bookit патување го градиме од почеток, околу човекот што ќе го живее.

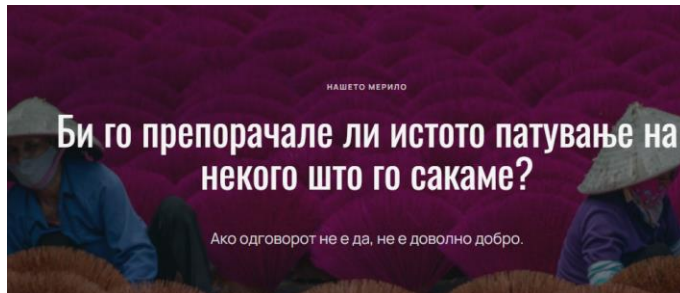

WHAT WE DO

YOU BRING THE IDEA. WE CONNECT THE DOTS.

Flights. Hotels. That little hotel you didn't know existed. A guide who knows which street to take before everyone else arrives. A great restaurant for the third night, not the first. A transfer that's there exactly when it needs to be.

And enough space between it all so the journey never feels like a schedule.

Every Bookit journey is built from the ground up, around the person who'll experience it.

НАШЕТО МЕРИЛО

Би го препорачале ли истото патување на некогаш што го сакаме?

Ако одговорот не е да, не е доволно добро.

OUR STANDARD

WOULD WE RECOMMEND THE SAME JOURNEY TO SOMEONE WE LOVE?

If the answer isn't yes, it isn't good enough.

We want to work with people we value, partners we trust, and places that treat us with respect.

We don't just want you to come home happy. We want you to start thinking about where to go next.

ДОСТА ЗА НАС. КАДЕ САКАШ ДА ОДИМЕ?

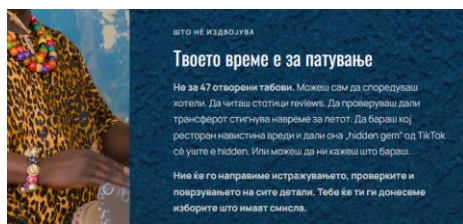

КРЕИРАЈ ПАТУВАЊЕ

ENOUGH ABOUT US. WHERE DO YOU WANT TO GO?

CREATE YOUR JOURNEY

If it's worth staying one more night, we'll tell you. If a hotel looks better on Instagram than it does in real life, we'll tell you. If there's a better route, a better time to go, or simply a better way to do it, we'll suggest it.

We're not here just to book what you ask for. We're here to help you choose better.

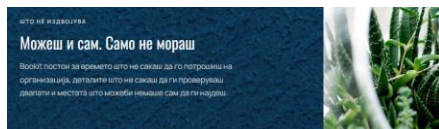

WHAT SETS US APART

YOUR TIME IS FOR TRAVEL.

Not for 47 open tabs. You can compare hotels yourself. Read hundreds of reviews. Check whether the transfer will get you to the airport in time. Search for a restaurant that's actually worth it, or find out whether that TikTok "hidden gem" is still hidden. Or you can simply tell us what you're looking for.

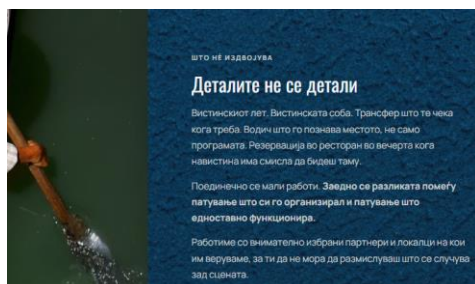

We'll do the research, the checking, and connect all the details. You'll get the options that actually make sense.

WHAT SETS US APART

YOU CAN DO IT YOURSELF. YOU JUST DON'T HAVE TO.

Bookit exists for the time you don't want to spend on planning, the details you don't want to double-check, and the places you might not find on your own.

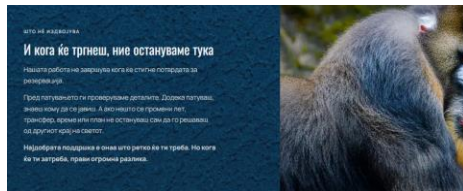

WHAT SETS US APART

THE DETAILS ARE NEVER JUST DETAILS.

The right flight. The right room. A transfer waiting when it should be. A guide who knows the place, not just the itinerary. A restaurant reservation on the night it actually makes sense to be there.

On their own, they're small things. Together, they're the difference between a trip you've organised and a journey that simply works.

We work with carefully selected partners and places we trust, so you never have to think about what's happening behind the scenes.

WHAT SETS US APART

AND WHEN YOU SET OFF, WE'RE STILL HERE.

Our job doesn't end when your booking confirmation arrives.

Before you travel, we check the details. While you're away, you know who to call. And if something changes a flight, a transfer, the weather, or the plan you're not left to sort it out on your own from the other side of the world.

The best support is the kind you rarely need. But when you do, it makes all the difference.

FIVE REASONS LATER...

NOW WE NEED ONE FROM YOU. WHERE DO YOU WANT TO GO?

CREATE YOUR JOURNEY

WHY TRAVEL WITH US

WHEN SHOULD YOU BOOK IT YOURSELF?

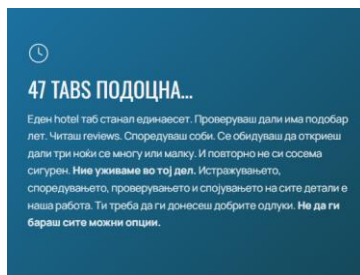

Sometimes, you really don't need us. Going to Rome for three days? Know exactly which hotel you want? Found a direct flight and have a simple plan for a few good restaurants? Book it.

Not every journey needs a travel designer. But when there are more places, different flights, private transfers, special hotels, experiences, kids, celebrations, long-haul destinations or simply when someone else needs to think everything through that's when Bookit starts to make sense.

BOOKING A HOTEL IS EASY.

Choosing the right hotel isn't always. One has a better location. Another has better rooms. A third looks amazing in photos but simply doesn't suit the way you want to travel. And the fourth might be the one you would never find on your own.

Our job isn't to give you more options. It's to remove the wrong ones.

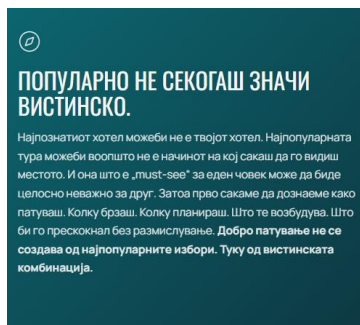

47 TABS LATER...

One hotel tab turns into eleven. You check if there's a better flight. Read reviews. Compare rooms. Try to work out whether three nights are too many or too few. And somehow, you still don't feel sure.

We enjoy this part. The research, the comparing, the checking, and connecting all the details that's our job. We bring you the options that make sense.

Not every possible option.

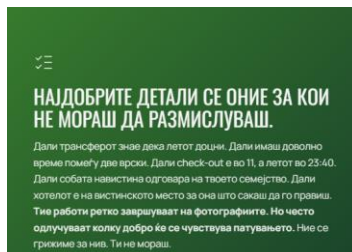

POPULAR DOESN'T ALWAYS MEAN RIGHT.

The best-known hotel may not be the right hotel for you. The most popular tour may not be the way you want to experience a place. And what's a "must-see" for one person can be completely irrelevant to another.

That's why we first get to know how you travel. How much you want to see. How much you want to slow down. What excites you. What you'd skip without a second thought.

A great journey isn't built from the most popular choices. It's built from the right combination.

THE BEST DETAILS ARE THE ONES YOU DON'T HAVE TO THINK ABOUT.

Will the transfer know if your flight is delayed? Is there enough time between two connections? Is check-out at 11 when your flight is at 23:40? Does the room actually work for your family? Is the hotel in the right location for what you want to do?

These things rarely end up in the photos. But they often decide how good a journey feels.

We take care of them. So you don't have to.

A GOOD PLAN MATTERS.

The person behind it matters even more. Flights get delayed. Weather changes. Sometimes things simply don't go according to plan.

When you travel with Bookit, you have someone who knows who you are, knows your journey, and knows what needs to happen next.

Not a call centre. Not a ticket number. A person. Our job doesn't end when you make the booking.

А ШТО Е СО ЦЕНАТА?

Ќе биде ли поевтино ако резервираш сам? Понекогаш да. Ако единственото мерило е најниската цена за лет и хотел, понекогаш ќе најдеш поевтина комбинација. Но најевтиното патување и најдобрата вредност не се иста работа. Наша работа е да го употребиме твојот буџет таму каде што прави разлика. Да знаеме каде вреди да потрошиш повеќе. Каде не вреди. И каде малата промена може да направи голема разлика. Не повеќе. Подобро.

AND WHAT ABOUT THE PRICE?

Will it be cheaper if you book it yourself? Sometimes, yes. If the only measure is the lowest price for a flight and hotel, you may occasionally find a cheaper combination.

But the cheapest journey and the best value are not the same thing. Our job is to use your budget where it makes a difference. To know where it's worth spending more. Where it isn't. And where a small change can make a big difference.

Not more. Better.

ТИ ТРЕБА ДА ГО ДОЖИВЕЕШ ПАТУВАЊЕТО. НЕ
ДА ГО МЕНАЦИРАШ.

Од првата идеја до моментот кога повторно ќе ја отклучиш вратата дома, ние ги покрпуваме деталите за ти да можеш да се концентрираш на единствениот дел што навистина е твоя. Да бидеш таму.

КРЕИРАЈ ПАТУВАЊЕ

YOU SHOULD EXPERIENCE THE JOURNEY. NOT MANAGE IT.

From the first idea to the moment you unlock your front door again, we connect all the details so you can focus on the one part that truly belongs to you:

Being there.

CREATE YOUR JOURNEY

WHAT SHOULD YOU KNOW BEFORE YOU WRITE TO US?

STEP 01

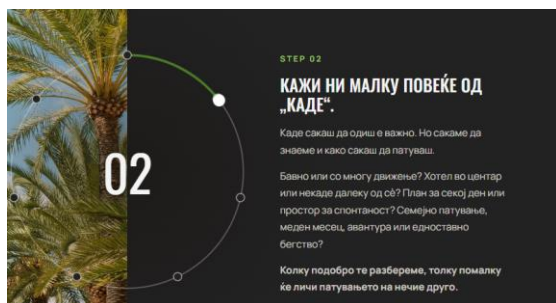

START ANYWHERE.

Maybe you already know you want to go to Japan. Maybe you only know you want sunshine in February. Or maybe you have a photo, a hotel, or a place you saw somewhere and just can't get out of your head.

That's more than enough to begin.

Explore our destinations and experiences, use the Trip Finder, or simply come to us with your idea. You don't need to have a finished plan.

That's what we're here for.

STEP 02

TELL US A LITTLE MORE THAN JUST "WHERE."

Where you want to go matters. But we also want to know **how** you want to travel.

Slow or full of movement? A hotel in the centre or somewhere away from it all? A plan for every day or room for spontaneity? A family trip, honeymoon, adventure, or simply an escape?

The better we understand you, the less your journey will feel like someone else's.

STEP 03

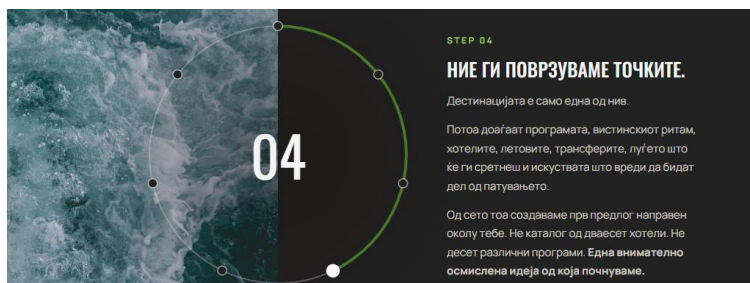

THEN WE TALK.

The form is just the beginning.

Someone from our team will get in touch to better understand the journey what matters to you, what doesn't, what you've already seen, and what you want this trip to feel like.

There's no script. No sales pitch.

Just a good conversation about where we could go from here.

STEP 04

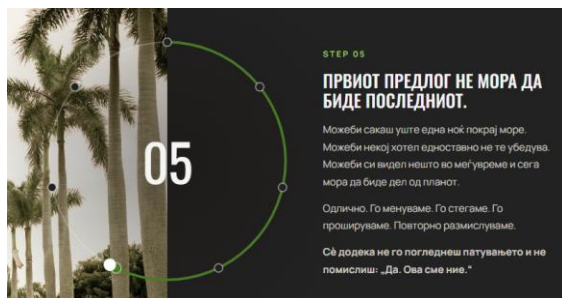

WE CONNECT THE DOTS.

The destination is only one part of it.

Then come the itinerary, the right pace, the hotels, flights, transfers, the people you'll meet, and the experiences worth making part of the journey.

From all of that, we create a first proposal built around you. Not a catalogue of twenty hotels. Not ten different itineraries.

One carefully considered idea to start with.

STEP 05

THE FIRST PROPOSAL DOESN'T HAVE TO BE THE FINAL ONE.

Maybe you want one more night by the sea. Maybe a hotel just doesn't feel right. Maybe you spotted something in the meantime and now want it to be part of the plan.

Great. We change it. Refine it. Add to it. Rethink it.

Until you look at the journey and think: “Yes. This feels like us.”

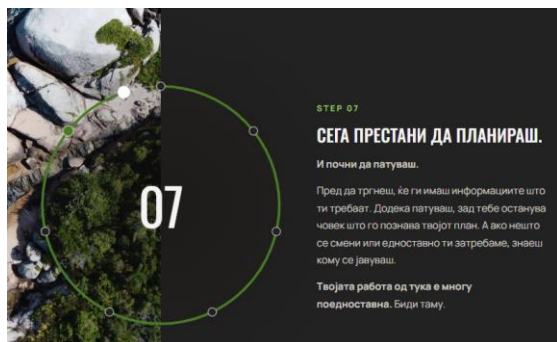

STEP 06

AND THEN, BOOK IT.

Once everything feels right, we turn the idea into reality.

We take care of the bookings and organisation, connect all the pieces, and make sure everything behind the scenes works exactly as it should.

All that's left for you is the best part before the journey begins looking forward to it.

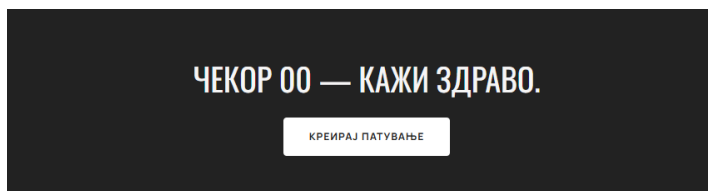

STEP 07

NOW STOP PLANNING.

And start travelling.

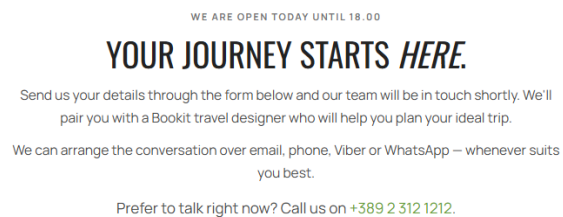

Before you leave, you'll have all the information you need. While you're away, there's still someone behind the journey who knows your plan. And if something changes or you simply need something, you'll know exactly who to call.

From here, your job is very simple. Be there.

STEP 00 — SAY HELLO.

CREATE YOUR JOURNEY

TODAY WE'RE OPEN UNTIL 18:00

STEP 00. SAY HELLO.

You don't need a finished plan. A destination is enough. A time of year is enough. Even "I want to go somewhere far away in October" is enough. Tell us what you know so far, and one of our travel designers will take it from there.
